

STASHBUSTER QUILT #2

Done in a day

Finishes 46.25" x 52.50"

Fabric

- *9 Fat Quarters*

Chose 9 fat quarters from three different analogous colours and three different saturations. Use a good variety of patterns. Do not use any directional fabrics, as some of the blocks will be turned upside-down.

- *Fabric for backing*
- *5 x 2.5 WOF strips for binding*

The Blocks

- Press each fat quarter.
- Lay out your fabrics. Three darkest in one row, the medium ones of the same colour in the middle row, the lightest in the bottom. See picture

❑ Combine the fabrics into the following groups

GROUP A	1	5	9
GROUP B	2	6	7
GROUP C	3	4	8

- ❑ Take Group A and lay the fabrics on a cutting table, layering them from darkest to lightest. Align them along the selvage and the bottom corner.

Four
10.75 x 8" rectangles

- ❑ Stack each pile of rectangles on top of each other, aligning the bottom left hand corner. You should have a stack of 12 rectangles that follow the pattern dark, medium, light.
- ❑ Make one cut 1.75" from the left side, parallel to the edge through all twelve layers.
- ❑ Take the top layer from the left side and put it on the bottom of the stack.

- Repeat with Groups B and C
- Sew one left piece and right piece with right sides together.
- Press to the right side
- Take Group A blocks again. Stack the blocks again in the same order.
- Align the corners and make another cut, this time 4.25" from the left side, parallel to the edge through all twelve pieces.
- Take the top layer from the left side and put it on the bottom of the stack.
- Repeat with Group B & C
- Sew one left piece and right piece with right sides together.
- Press to the right side.

The Layout

- Lay out your fabrics. The blocks with the large dark pieces in one row, the medium ones of the same colour in the middle row, the lightest in the bottom

- ❑ Layout blocks in 7 rows of 5 Using the following chart Note: you will have one block left over. Use it on the back.

3	9	6	8	5
2	4	1	7	3
9	6	8	5	2
4	1	7	3	9
6	8	5	2	4
1	7	3	9	6
8	5	2	4	1

- ❑ Sew rows of 5 blocks together
- ❑ Sew rows together.
- ❑ If you watched the video, this is the layout of the markings I made.
